

Subpart F—Prohibition Against the Use of Lead-Based Paint in Federal and Federally-Assisted Construction or Rehabilitation of Residential Structures

SOURCE: 42 FR 5043, Jan. 27, 1977, unless otherwise noted. Correctly designated at 42 FR 13112, Mar. 9, 1977.

§ 35.60 Scope.

The regulations of this subpart are promulgated to implement section 401 of the Lead-Based Paint Poisoning Prevention Act, as amended, which directs the Secretary of Housing and Urban Development to take such steps and impose such conditions as may be necessary or appropriate to prohibit the use of lead-based paint in residential structures constructed or rehabilitated by the Federal Government or with Federal assistance in any form. The regulations are applicable to all Federal agencies.

§ 35.61 Definitions.

The definitions contained in § 35.3 shall apply to this subpart F and in addition the following definitions are applicable to this subpart F:

(a) *Federal Agency* means the United States or any executive departments, independent establishments, administrative agencies and instrumentalities of the United States, including corporations in which all or substantially all of the stock is beneficially owned by the United States or by any of the foregoing departments, establishments, agencies or instrumentalities.

(b) *Agency Head* means the principal official of a Federal Agency and includes those persons duly authorized to act in his behalf.

(c) *Lead-based paint* as defined in section 501(3) of the Act as amended by Pub. L. 94-317 (42 U.S.C. 4801 et seq), the National Consumer Information and Health Promotion Act of 1976, means: (1) Any paint containing more than five-tenths of 1 per centum lead by weight (calculated as lead metal) in the total non-volatile content of the paint or the equivalent measure of lead in the dried film of paint already applied or both; or (2) with respect to paint which is manufactured after June 22, 1977 lead-based paint means any paint containing more than six one-hundredths of 1 per centum lead by weight (calculated as lead metal) in the total nonvolatile content of the paint or the equivalent measure of lead in the dried film of paint already applied.

§ 35.62 Federal construction; prohibition against use of lead-based paint.

No Federal agency shall, in any residential structure constructed or rehabilitated by such agency, use or permit the use of lead-based paint on applicable surfaces.

§ 35.63 Federally assisted construction; prohibition against use of lead-based paint.

(a) Each Agency Head shall issue regulations and take such other steps as in his or her judgment are necessary to prohibit the use of lead-based paint on applicable surfaces of any residential structures constructed or rehabilitated by such agency under any federally assisted program.

(b) Such regulations shall require the inclusion of appropriate provisions in contracts and subcontracts pursuant to which such federally assisted construction or rehabilitation is performed, prohibiting such use of lead-based paint, and shall include provisions for enforcement of that prohibition.

§ 35.64 Reports to the Secretary.

(a) To assist the Secretary in fulfilling her responsibilities under the Act, each Federal agency shall furnish to the Secretary, not later than 3 months after the effective date of these regulations, a report of the steps it has taken to comply with this subpart F, part 35.

(b) Each Federal agency shall submit such additional reports on its activities in the implementation of this part as may be deemed necessary by the Secretary.

§ 35.65 Authority for subpart B of these regulations.

On or after the effective date of these amended regulations, subpart F will serve as the authority for subpart B of these regulations.
